

## **DAVID Accessories**

The following are accessories for the DAVID (Digital Audio-Visual Integration Device) models; [PAL](#), [PAL36](#), [PAL 36 with CES](#)

### **DAVID Add-On Accessories:**

**DAVID SESSION EDITOR SOFTWARE** - This software was designed by, and is exclusive to, Mind Alive Inc. and is only for use with the DAVID PAL, PAL36 and PAL36 with CES.  
**US \$80.00**

**A/C Adapter** - This adapter is for use with the DAVID PAL, PAL36 and PAL36 with CES. This adapter has a 1.3 millimeter end and the pin is positive polarity.  
**US \$8.00**

**European A/C Adapter** - This is a 220 volt adapter with the two prong European plug, and is for use with the DAVID PAL, PAL36 and PAL36 with CES.  
**US \$10.00**

**Extra User Package** - This package allows two people to enjoy the same session at the same time. The Extra User Package includes one [Tru-Vu Eyeset](#), stereo headphones, and two splitter cords. The splitter cords are "Y" shaped so that two eyesets and two headphones can be plugged into one DAVID.  
**US \$115.00**

**Tru-Vu Omniscreen Eyeset with Viewholes** - This eyeset is the same as the Tru-Vu Omniscreen Eyeset, but with viewholes cut in them so you can see while running a session. This accessory is popular for athletes who can train while enjoying audio-visual entrainment, and for students for studying and reading.

**US \$110.00**
